

## Informed Consent to Treatment

Dr. Deir, ND is a Naturopathic Doctor. Naturopathic medicine treats and prevents disease using natural means. Gentle and non- invasive techniques are utilized to stimulate the body's natural healing mechanisms. Dr. Deir, ND will take a thorough case history, perform a physical exam, and request copies of any recent laboratory work that you have had completed.

It is important that you inform Dr. Deir, ND of any previous or existing health conditions, any medications that you are taking, and if you are pregnant or breast feeding.

Just as with any medical treatment, there are slight health risks that may be associated with Naturopathic healthcare. These include and are not limited to:

- Some patients may experience allergic reactions to certain botanical medicines or supplements. Please advise Dr. Deir, ND of any allergies that you have.
- Homeopathic remedies may occasionally result in the exacerbation of pre-existing symptoms. If this does occur, the duration is short and very limited.

I understand that:

- Dr. Deir, ND will explain to me my diagnosis and the nature of the treatment provided in a manner that is understandable to me.
- Dr. Deir, ND will answer any questions that I have.
- Dr. Deir, ND does not guarantee treatment results.
- I am free to withdraw my consent and discontinue treatment at any time.
